

RESIDENTIAL IRRIGATION SEASONAL MAINTENANCE CONTRACT

This Service Agreement between The SprinklerMan LLC and _____(client) is valid for One Season, starting January 1st- December 31st. The SprinklerMan LLC agrees that this Service Agreement will consist of all labor for one of the following Options:

Option I – Spring Start-Up & Winterization: You will be automatically scheduled for these 2 services:

- Spring start-up
 - ✓ Install backflow prevention assembly, if required
 - ✓ Pressurize system and review entire system for proper operation
 - ✓ Clean clogged nozzles. Adjust heads; angle of rotation and distance, if needed
 - ✓ Re-set controller for general spring schedule, unless informed otherwise by homeowner
 - ✓ Provide you with a "System Assessment Form", which will include suggestions to improve system performance
- Winterization - this service is performed from October 1st thru December 31st
 - ✓ Shut off main water supply and deactivate irrigation controller
 - ✓ Remove water from system by blowing pressurized air through all main and lateral lines
 - ✓ Remove and deliver backflow prevention device to homeowner, if required
 - ✓ If any repairs are needed in order to shut down the system, services will be billed by the quarter hour, if time allows at this visit

Option II – Spring Start-Up, Mid-Season Assessment & Winterization: You will be automatically scheduled for these 3 services:

- Spring start-up and Winterization – see bullet points in Option I
- Mid-season Assessment – scheduled for July/August time frame
 - ✓ Review entire system for proper operation
 - ✓ Clean clogged nozzles. Adjust heads; angle of rotation and distance, if needed
 - ✓ Re-set controller schedule for current summer weather conditions, unless informed otherwise by homeowner
 - ✓ Provide you with a "System Assessment Form", which will include suggestions to improve system performance

Option III – Spring Start-Up, Two Mid-Season Assessments & Winterization: You will be automatically scheduled for these 4 services:

- Spring start-up & Winterization – see bullet points in Option I
- Mid-season Assessment – see bullet points in Option II, 2nd Assessment is scheduled for early fall time frame

All Options include the following;

- 15% discount on labor and material rates should your irrigation system require any service during the contracted season.
- 10% discount on new installation provided by SprinklerMan; Low voltage Accent Lighting, Drainage Systems and Sod Projects.
- Priority scheduling for irrigation system repair work and/or new installation projects.

TERMS

I agree to pay \$_____ for the total contract cost of the Service Agreement. I agree that this Maintenance Contract will automatically renew on January 1st. This contract shall continue thereafter, for the period of One (1) Season, unless cancelled within 30 days in writing prior to the renewal date (December 1st). In this agreement, One Season will be defined as follows; January 1st of each new year to December 31st of the same year. I agree to promptly render payment upon receipt of annual renewal invoice. There will be no refunds of payment. I give authorization for The SprinklerMan LLC to provide the above contracted services. In the event I am not at home for a mutually scheduled appointment, access will be provided for The SprinklerMan to perform the contracted work. If access to the system is not readily available to the service technician, I agree to pay additional cost of \$25.00 for a return service call. The SprinklerMan LLC will not be held responsible for damages to your backflow due to freezing prior to winterization.
